Treasurer's Report:

Tabbled

Medical Director:

Dr Marasa advised of the possible ST Elevation MI protocols in cooperation with Dartmouth Hitchcock Medical Center. More information will be available soon

Training:

*Londonderry will be holding a First Responder Class Fall 2009.

*Paul Stagner has obtained class room time at the Howard Dean Center in Springfield. This could be used for initial certification classes or continuing ED.

It was thought that having monthly or quarterly training sessions may be the best way to start. Paul is also compiling a list of interested persons who would like to be involved with teaching.

Old Business:

*State wide Reporting - Nothing New

*District has given approval for the EMT-I 03 Standing Order Waivers to include: Narcan, D50, Glucagon, Thiamine, Asprin, Albuterol, Nitro and Benadryl. They have been sent to the State EMS office for final approval.

*Tech Center EMT class will be testing in Rutland June 6, they could use more evaluators if anyone is interested

New Business:

none
